# Learning the basics

Wearing the headset

To wear the headset

- Attach the clip to the headset cord below the remote. Position the clip so that you can speak into the microphone for taking calls hands-free, once the headset is fastened to your clothes.

! If you need to adjust the clip, remove the clip and reposition it on the cord.

Using the remote

Remote overview

2	Center button
3	Volume -
4	Microphone

To control the volume

1 Press the Volume + to raise the volume.
2 Press the Volume – to lower the volume.

! If you are connected to an iOS device, adjust the volume directly on the iOS device. The volume buttons on the remote control are only compatible with Android™ devices.

To answer or reject a call

1 To answer a call, press the center button. Press this again to end the call.
2 To reject a call, press and hold down the center button for one second.

To pause or skip music tracks

1 When listening to music, press the center button to pause the music track. Press it again to resume.
2 Press the center button twice to skip to the next track.
3 Press the center button three times to restart the current song. To return to the previous track press it three times again.

To start the voice search & actions

• Hold down the center button to start to talk to Google/Siri.
